American Journal Of Engineering Research

ISSN (online) : 2320-0847
ISSN (print) : 2320-0936

Certificate for Publication

This is certify that the paper entitled **"Effectiveness and degree of acceptance of Hall technique as an alternative method for use of metal crowns in primary molars"** Journal with following details:

Authors Name : Lara Meraz Itzayana

Journal Name : American Journal of Engineering Research

Publication : Volume 14, Number 10, 2025

Editor-In-Chief, AJER
Mail id: ajer@editormails.com
